

Family Center-What ist hat?

Our Services

Our Services

Family Center are „extended daycare centers“. The focus of care is not only on the child alone, but the whole family becomes the center of attention.

Family Centers adapt to the situation of „their“ families and offer council and support as needed and services to help balance between family and career.

Through the creation of diverse network within the social surroundings prompt help and contact points for all family matters can be offered.

The services of a family center are adapted to the needs of the families in the area, and the interests of those families having priority.

Our family center „Stiftstraße“ is intended to be a place to feel comfortable and find council for children, adults, parents, grandparents and singles.

For small, big, old, young...
for families...
